

Robin Schultz, Production Manager of **Church Hill Classics** and diplomaframe.com, has been appointed to the Fair Labor Association's Staff Advisory Committee. The mission of the FLA is to combine the efforts of industry, civil society organizations, and colleges and universities to protect workers' rights and improve working conditions worldwide by promoting adherence to international labor standards. The Committee will focus on strengthening the operations of the FLA as they relate to the licensees and higher ed.

Church Hill Classics has recently joined the U.S. Environmental Protection Agency's (EPA's) WasteWise Program. This voluntary partnership program is designed to help companies implement practical methods for reducing municipal solid waste. The focus is on three key elements: waste prevention, recycling, and buying or manufacturing recycled content products. By joining WasteWise, Church Hill Classics agrees to develop goals in these areas, track the results, and share the accomplishments. WasteWise assists in the implementation of the waste reduction programs, by providing guidance in establishing goals and tips for monitoring progress.
